

DO-IT YOURSELF CARNIVAL GAME IDEA LIST

Game instruction sheets are available upon request on some games - they include:
How to set up games, Rules, Tips, Prize price points and Suggested quantity to buy.

Let your imagination be your inspiration for your games at your picnic. You can create a limitless variety of fun activities and make them more fun by awarding fun prizes and or awards. The prizes are the easy part of the equation and where we shine. We hope you can come in and visit our showroom. If you or your committee cannot personally come in, please use our catalog and web site to pick fun stuff for the kids, young and old.

If you are in the St. Louis area check out our rental games for your picnic. We have a wide variety of skill games and games of chance. Take your pick. If you visit our showroom between January 15 and April 15 or June 20 through August 30, you will be able to see our games set up in our downstairs showroom. If you can't make it in when the Game Showroom is set up, you can always look at our photo album with pictures of all the games.

If you are not in the local area, or do not want to rent games, the following information may give you ideas for your picnic.

Think of all the ways you can create games to keep the kids busy. Throw balls into buckets. Frisbees through targets, putt golf balls into circles, shoot hockey pucks at targets. Does the picnic area have a basketball goal? If so, shoot hoops for prizes. Somebody have a washer game? Make up a game and buy some prizes. Horseshoes and other yard games can all be used. You can always see who can keep the Hula Hoop going longest (use different age brackets so everyone stays interested) or who can hit the paddle ball the most.

You can rent booths or make them up by using tables and/or bales of straw. Identify the game or activity with a colorful sign and then decorate with balloons, banners, crepe paper or what have you. Make it look fun. We can assist you with balloon decorations or signs if you have it in your budget.

GAMES YOU CAN PLAY WITH EQUIPMENT YOU PROBABLY HAVE

BASEBALL THROW - Throw balls at targets. Create an interesting target backstop.

BASKETBALL THROW - Award prizes for number of baskets made in 3 throws or the number of baskets made in 30 or 60 seconds. Use different foul lines or goal heights for different age levels. (Game sheet available upon request.)

DOG CAGE GAME - Use a large wire dog cage, a lock and 14 keys that look alike with only 1 that actually opens the lock. Fill the cage with stuffed animals. If the player picks the winning key they win their choice of prize. Be sure to mix up keys before next player. (Game sheet available upon request.)

FOOTBALL TOSS - A popular throwing target is a car tire hung from a frame using 2 ropes to keep it from twisting. Award prizes for accuracy.

FRISBEE TOSS - Make a target by cutting holes in a piece of plywood or a big cardboard box and decorate. The degree of difficulty will depend on how many Frisbees the player has to put in the hole, how far away the target is and the size of the hole.

GOLF PUTT - Make a putting green out of Astroturf with hazards or obstacles on the green. Closest to the pin is fun. Chip shots into a basket.

HOCKEY SHOOT - Use street hockey equipment and make a target with different size holes worth different point/prize values. Some groups use a live goaltender to make it more interesting.

HORSESHOES - Award prizes for ringer, leaners, close to the pin, etc. Improvise your own rules as space and equipment allows.
